She went the extra mile!

We found Jolene on the web while searching for homes in the area. Called her and she was so helpful over phone. Great personality! She exceeded our expectations with her knowledge and down to earth attitude. Very warm and friendly, she made us feel very comfortable. She was always well prepared and so enjoyable to be around. Anyone looking to find a home would be so blessed to have Jolene looking out for you. It was a great journey we shared with her and one that she is made for.

You will be “wowed!”

I am very excited to bring Jolene Burke on board to join our Williamsburg sales team. Jolene has impressed me for some time; her marketing “moxie” includes innovative events, an aggressive online marketing strategy, and an effective team approach to getting the job done. She is highly committed to advocating for her clients, and I can endorse her without hesitation.

Determination, dedication,  
and heart!

Having first met Jolene in the early months of 1997, I can speak very highly of her professionalism and accountability. Jolene works diligently for her clients and her expectations for result are of the highest caliber. She has been a cherished colleague, and above all, a true friend. Placing trust in a person like Jolene is not difficult, because she is awesome. She gives you a sense of security, and she goes to extremes to work in your behalf. You won't regret choosing Jolene to serve as your real estate representative.

Patient and honest!

We were first time buyers and needed a lot of guidance and support in making the right decision to both meet the needs of our family and our budget. Jolene was with us every step of the way, and it was obvious she simply cares about her clients' needs and wants. We wouldn't have taken this journey with any agent but Jolene. We highly recommend her services.
